Class: The Hierarchy of Light: Journeys and Meditations

The last 3 Thursdays in July, 7/16, 7/23, 7/30, at 7:30 to 9:30 p.m. \$35

76 Main Street, High Bridge, NJ 08829

Join me for a journey to the stars and beyond & into the depths of your being as a Child of Light, as part of the Mind of God and the Divine Plan. We will hear from many Masters, including Metatron, Christ Maitreya, Hilarion and more. This class is of the nature of an on-going Spiritual Development class, and you are sure to enjoy it and benefit greatly from it. You need not sign up for the entire series, as vacation time has been taken into account.

Field Trip: Inter-Dimensional Photography

Saturday, August 1, 2009 7 to 9 p.m. \$20 per person (young people 12 & up are welcome, too!) Meet at 76 Main at 6:30 to view photos and carpool to site.

Registration & details by phone at 908-638-9066.

Join me for the annual walk to photograph orbs and other inter-dimensional energies. We all pack a snack, a camera, and citronella candles or oil to keep the bugs away, and head out. Wear practical shoes for rough trails and bring a jacket as it turns cool as the sun goes down. If you bring a digital camera make sure that it does not eliminate 'red eye' and you will be able to get images of the inter-dimensional energy. Regular cameras, such as 35mm or disposables, work as well - they simply do not pick up the light trails - orbs appear as orbs, not comets. We go just as the sun is about to set, when there is the most activity in that area. If you can, bring a flower or a treat as an offering to the spirit that dwell in this other realm. We also carry in plastic bags to clean up the litter left behind by others.

Last year, during our very first field trip, everyone who joined us succeeded in capturing inter-dimensional energies on film. When it turns too dark for photos we break out the snacks and I will channel and answer questions about the experience. You will find that the images are quite exciting and will amaze your friends. Many people also had direct

clairvoyant experiences during the photography session. This is a rare opportunity to directly connect with other dimensions in an easy and visceral way. Join us for the fun!

Weekly: The Gathering

Tuesdays, Year round -- 7:30 p.m. to 9:30 p.m. at the Church of All Creation, 76 Main Street, High Bridge, NJ 08829. Park on the street or at the Municipal Parking Lot across the street.

This is our weekly service where we join hearts in a meditation to heal the world, listen to a channeled message from Mother Mary, and carry on a group discussion about the evening's topic, guided by the Holy Mother. Message from Mary

Christina: My father recently passed away after a long illness and this is the message that Mother Mary gave to me shortly after the celebration of his life. I thought that you might enjoy it too.

230: Solace

I bring you solace, my children, for your sorrows. There are times when even the best among us, even the most stoic, experience loss. Know that it is natural to mourn, even necessary. It is part of the path you have chosen in being human, part of the Earth School curriculum.

And yet loss is a transitory illusion, part of the paradigm of separation. You each know deep with that

there is no separation, only Oneness, and within that Oneness there is no loss, only unending, all-encompassing love.

What you mourn is the individualized expression of God as a being of a certain vibration. You attach significance to the body, but it is the soul that is the aspect with which you truly resonate. And the soul never dies. The soul moves from one embodiment to another, from one dimension to another, constantly experiencing more, seeking more knowledge and growth in the quest for reunion with Oneness.

Your loved ones are always near for they, in their highest and best aspect, are immortal, just as you are.

Please, my children, take solace in the knowledge of life everlasting. Know that the Divine Plan has unfolded in each life just as it should, even when those lives have been cut short or ended brutally. Those choices were made long ago by that soul to accelerate the growth of their own spirituality.

Remember, too, that physical life is the ultimate illusion and death merely the doorway back to the true reality of the soul – life eternal.

Love survives all transitions of the flesh. Take solace, my dear ones, in the immortality of the soul and in the love that never dies.

Blessings,

Mother Mary

PROGRAMMED WATERS now number 38 and the list is growing!

Lots of people are getting great results from the Waters. There will be a new testimonial page on the Circle of Intention website (www.CircleOfIntention.com) so that you can read about some of their experiences and reactions. The WATERS section of the site is being updated to include all the types available and to reflect the new postage rates. It is my intention to add a shopping cart and PayPal shortly for your convenience, in the meantime, just call in your order or email it.

Also, people are raving about the Custom Waters. I do not suggest them lightly, as they are twice the price of the standard waters, but they are very transformative! Remember that I am happy to check with Spirit to see which ones would be best for you and in what progression.

BARTER OPPORTUNITIES!

It's mid-summer and the weeds are taking over the Labyrinth! If you like to pull weeds after a rain, sign on! I am happy to trade one class for one weeding of the Labyrinth. It probably needs it every week for a while, so this is really a series of opportunities for one or more people.

I also barter for other things, so simply make me an offer. I am open and receptive and delighted to exchange energy in this way.

BOOKLETS: I now have several booklets available: *Meditations with Mary: Lessons from the Holy Mother, Consult Your Higher Self - A Guide to Pendulum Dowsing, Personal Kinesiology - A Guide to Harmonious Living, and Easy Self-Healing Techniques (more detailed than the hand-out). Just send me an email inquiry if you are interested in any of the booklets. Price range from \$8 to \$12 plus S & H.*

Please - let me know if you have any ideas for classes, products, or services that you would like. It is my pleasure to be of service to you.
