Bring your family, mix and mingle, chat with friends, make some new ones. This is a time of connection, a time to share and give thanks. All are welcome! Questions? Just call me at 908-638-9066. Hope to see you there!

Many thanks for your support of *Beyond the Veil!*

Lots of exciting things happened on Sunday, November 2nd, at our Church's very first public event -- Beyond the Veil: Evidence of Spirit. Everyone was amazed and delighted at all the Inter-Dimensional photos they saw, and some even brought their own to share. We had music from the Celia Tiberio's crystal bowl, shamanic drumming by Sharon Silverstein, crystals and psychometry from Stephanie Ezzat and her husband, Michael, while Maria and Kristen Plass shared their knowledge of esoteric spa treatments and gave mini ion foot cleanses. All this was enhanced by good soup, great brownies, and lots of hot drinks. The talks that Celia and I gave on I-D Photography were well received and there were lots of questions. Delightfully, several people have volunteered to help with future events. Additional volunteers are always welcome, just let me know of your interest!

The 3rd Friday of each month (11/21 & 12/19)

Christina will be appearing at **The 11th Hour Cafe** in High Bridge (#11 Main Street), from 8:30 to 10 p.m. \$10 per person, one coffee-type drink included, and lots of answers from the perspective of Spirit to your general and personal questions about life. Reservations only -- Call Mary @908-638-8888.

This is a very informative evening and a great way to learn more about yourself and your spiritual history! Bring your questions! It is also a gentle and fun way to introduce others to the work that I do, so come and bring a friend.

Mary Meditation: **Blessings from the Holy Mother for the Holidays**

My dear ones, I send you blessings for this holiday season, for this time of gratitude, reflection, and renewal. This is a time of celebration for your Spirit, for the bounty of life, and for the promise of peace.

Within each heart is the yearning for peace, for contentment, and for prosperity. No one wishes to abide in less and yet we create anew each day a life that is not as magnificent as it might be. As we align our thoughts with less than what we truly desire, we bring more of what we do not want into our lives.

Take this time which contains the blessings of the harvest to plant the seeds of gratitude in your lives, to cultivate the feeling of joy right now so that the potential of global peace and unity grows within the fertile soil of your mind and heart. Peace begins within each of us. We are each sowers of the seeds, bearers of the light. Nurture the seeds that have been planted with love. Let love envelop your every thought, your every action, my children. Your individual lives will thereby achieve balance and thus you will balance the world.

Know that you are a part of the mind of God, a child of the Creator, and you are capable of the vibrational creation of all that you need, all that you desire. I ask you to take this opportunity to create in gratitude and joy the blessings of peace, prosperity and balance for all. As you create it for yourself, a reflection of your deepest desires, it blesses the world and all who abide here.

Make the choice to live in love, in light, each day and you will create the great and magnificent changes you desire.

I bless you on your journey, my dear ones.

Tuesdays at 7:40 p.m. call 1-269-320-8300 and enter the code 613102# when asked. (There is a way to mute the phone when you call in so that noises from your home are not broadcast.)

In the event of a **winter storm, I will broadcast only!** There is no need for anyone to venture out upon hazardous roads. Just call in instead!

At 9 o'clock I begin Laying on of Hands for all those who are present. We usually finish by 9:30 or 10 p.m. Lately Mary, Jesus and many of the saints that I work with have been there imbuing this segment with even more energy than usual. Come join us!

AND . . .The Church of All Creation now has its own website: www.ChurchOfAllCreation.org. Take a look! More information is coming as soon as I get a chance to post it. Any ideas or links are welcome -- just send to me at Christina@CircleOfIntention.com.

Classes begin in January!

The Circle of Intention School of Intuitive Sciences will begin a new series of classes after the first of the year. Let me know what you might be interested in learning and if weeknights or weekends or just Sundays are best for you. I think that Spirit has some very special plans for the New Year and I look forward to sharing all that I have access to with you!

Looking for Space

The Gatherings are getting larger, and so are some of our plans for the future, so we are looking for spaces that could accommodate up to 30 people on a weekly basis, as well as space for other "Beyond the Veil" type events. Just let me know if you have any ideas.
