MARY MEDITATION

A New Way

Life requires, my children, a new way of being every day, a new way of seeing, a new way of experiencing. You are not exactly the same person today that you were yesterday because you have one more day's worth of experience shaping your soul, adding to your knowledge. It is ever so.

The Divinity within you is always reaching for ways to express itself more fully, whether it is through thought or voice or action, Divinity is always impelling you forward toward greater expression. My channel suggests a journal of growth. Like the parent who, at dinner, urges the child to share one thing learned that day, write the changes you experience in a journal. Over time you will be able to see what magnificent strides you have made, one lesson learned at a time.

Over time you will see how the Divinity within you keeps propelling you toward fuller expression. You will also see, through lack of entries, that you are holding yourself back. If you cannot catalog one insight, one small life lesson each day, then it is time to consider why this is so. Is your life already perfect – or is it so imperfect that you do not wish to examine it? Either way you are erecting barriers. If you believe your life is perfect and you wish it would always stay exactly the same, you are depriving yourself of more – more joy, more fulfillments, more abundance. Build upon what you have by sharing with others. This will bring you more and not diminish what you have in any way. Be the instrument of grace in the lives of others and grace will be added unto you.

On the other hand, if you perceive your life as too painful to examine, as lacking in one or many ways, it is surely time to release the pain, to move forward. The only way this can be accomplished is by changing your thoughts and re-creating your world. Acknowledge that your present way of thinking is not serving you and forgive yourself for shortsightedness. Recognize that holding anger, resentment, grudges – negative energy in any form – toward another individual or institution only drains you. You do not create peace in your life by embracing pain, only by loving peace and wanting it more than you want the pain. Forgiveness of yourself and others is the key.

Forgiveness, then growth, this will bring each of you, my dear ones, to a new way of being.

BLESSINGS AND LIGHT,

Christina

AND MORE FROM MOTHER MARY:

Be at peace, my children, in this time of the illusion of turmoil! The peace within each heart will spread to encompass all with whom it comes in contact, and then it will spread out again and again. This is the time of a global transition to peace! You chose to be here in the midst of this miracle! Have faith that all is going according to plan and that you will prosper. You may have to bide your time with certain actions, but living in faith and love will propel you forward, allowing

Spirit to fulfill your every need.

If you live in fear, instead of peacefulness and faith, you will contribute to the illusion of turmoil, and your life experiences will reflect that expectation. CHOOSE PEACE!

Weekly Gatherings & More

Weekly Class Weekly Spiritual Gatherings with the Holy Mother Mary are held each Tuesday evening, 7:30 to 9, donation of \$10 to \$20. You can now call in to listen and participate! Tuesdays at 7:40 p.m. call 1-269-320-8300 and enter the code 613102# when asked. (There is a way to mute the phone when you call in so that noises from your home are not broadcast.)

At 9 o'clock I begin Laying on of Hands for all those who are present. We usually finish by 10 p.m. and then close with a benediction. Lately Mary, Jesus and many of the saints that I work with have been there imbuing this segment with even more energy than usual. Come join us!

AND . . .The Church of All Creation now has its own website: www.ChurchOfAllCreation.org. Take a look! More information is coming as soon as I get a chance to post it. Any ideas or links are welcome -- just send to me at Christina@CircleOfIntention.com.

OUTINGS, FIELD TRIPS, and MORE!

Recently those who attend the Gatherings on Tuesday nights took a Field Trip to try their hands at Inter-Dimensional Photography. The results were wonderful, as everyone with a camera was able to document I-D energy on film!

We hope to have more outings and field trips in the future. We also have "Popcorn Nights" when we get together in one of our homes to watch inspirational films and videos. And then there are the POT LUCK DINNERS -- yum!

If you would like to join us for any of these kind of events, please send me an email with a subject line of "Outings & Trips" and we will notify you when they are coming up. Some are spur of the moment. If you have a suggested site to visit, inspiring movie to share, or other ideas, please send the information along. Christina@CircleOfIntention.com
